Here's a great bridle horse. Done all aspects of ranch work, doctored outside, branded on, gathered and used at the sale yard etc. He has also been used in town at the ranch rodeos and been shown at the local cow horse shows. He's gentle, kind and anyone can ride him. Super broke, very cowy and dependable. Been laid off. Just an all around easy going gelding. Questions call Dylan 530-640-1825.
