Stock Horse: **Snaffle Bit:** **Cutting:** **Roping:**

7 years old, 15.3 hands, solid and stout, has been used extensively for ranch work, opens gates, roping, doctoring branding, sorting and shipping. Used in the sale barn to sort and ship cattle. Calm and quiet, ridden in California hill country and rough Arizona desert country. Good traveler, very smooth and personable, easy to shoe, catch, trailers great. Excellent all around horse. I've been using this guy for 3 years.
