"Obee" is a very gentle 12 year old gelding. He has a kind eye and wants to please. He has been used for all aspects of ranch work. He stays quiet and travels out very well. He has been roped on outside a lot and I have started roping on him out of the box. Obee is a very nice horse that is great for anyone to ride and enjoy. For more information visit www.barxlivestock.net and watch his video.
