			{	Doc's Starlight
			{	Doc O Dynamite
			{	Carol Can

Stock Horse: Snaffle Bit: Cutting: Roping:

This 10 year old gelding is a gentle, well broke horse. He has been ranch used extensively, along with being used as a pickup horse all summer. We both head and heel on him and he is extremely cowy. He also has a lot of speed. He is a very handy gelding that is ready to go to work and have fun on. For more information visit www.barxlivestock.net and watch his video.
