Stock Horse: Snaffle Bit: Cutting: Roping:

This big strong palomino gelding has been with us since he was a baby. We bought him from a foundation ranch in Montana where all the horses are working horses. He has been started and now is in training with Jeff Sleeman. You can rope, gather or do anything on this great gelding. Jeff has turned back on him and the boys have roped on him. What a great 4 year old. He is ready for anything!!
