Stock Horse: **Snaffle Bit:** **Cutting:** **Roping:**

This nice little 4 year old gelding has great potential to be a good all around horse. "Deuce" is very easy going, gentle and no bad habits. He's been used on the ranch branding, sorting cattle, great with kids for as young as he is and been used hunting, amongst many other things. Great little horse to have with tremendous potential. Needless to say he has also been used on breaking colts. To many nice things to put in writing.
