We have owned "Banker" for a long time. He has been ridden by us, family and friends. Banker is a solid head horse; hauled to World Series, ACTRA and other jackpots. He is honest in the box and out in the arena. Banker has been ridden outside and has been to the branding pen. Our son at the age of 5 was riding him, he is safe and fun. Videos available. Contact Brian 208-250-7825.
