"Bo" is a 9 year old gelding that has been used to sort, gather, brand and doctor calves on. Bo has also been ridden on the trails and in really steep country. Bo has a laid back personality, easy to shoe, catch and is the same horse daily. He has been headed on out of the box as well. Bo has a nice smooth lope and will walk out as well. Contact Johnnie for further questions 208-369-1417.
