"Bearly" was started and shown by Smoky Pritchett. As a 4 year old he placed 3rd in the cutting class at the 2016 Red Bluff Gelding Sale. Since then his talents were expanded as he went on to prove himself as a ranch horse. He has branded 100's of calves, doctored yearlings in the field and excels in the sorting pen. He is confident, kind, gentle and wants to please. Lots of stamina and doesn't weaken during the day. Bearly is a horse with a big heart and a great future. If you want a horse to be your partner and excel at everything, here is your horse.
